

# GREEN ROOFS!

An Initiative of The Maryland Energy Sector Partnership and Anne Arundel Workforce Development Corporation

**WINTER 2012**

## GREEN ROOF PROFESSIONAL (GRP) ACCREDITATION TRAINING

February 27 – March 1, 2012

Tuition and books are paid through grant funds.  
Seats are limited. Deadline for application is  
February 15, 2012.

Call 443-433-2004 or email  
sstallybrass@aawdc.org to apply for grant fund-  
ing and to register.

This program is designed for employed and unemployed landscaping, roofing, architect and construction professionals in Anne Arundel County to obtain training and accreditation as a Green Roof Professional.

The training is 32 hours over four days, at the Moyer Recreation Center in Annapolis.

Green roof technologies not only provide the owners of buildings with a proven return on investment, but also represent opportunities for significant social, economic and environmental benefits, particularly in cities and near major water systems like the Chesapeake Bay.

### Course Modules:

- Green Roof Design 101: Introductory Course
- Green Roof Infrastructure 201: Design and Installation
- Green Roof Waterproofing and Drainage 301
- Green Roof Plants and Growing Media 401

Training provided by Green Roofs for Healthy Cities. Visit [greenroofs.com](http://greenroofs.com) for more information about training and accreditation.
